Dear Landowner,

You are invited to attend a Bradford Island RD 2059 (the "District") Special Meeting scheduled for June 17, 2015, from 4:00 pm to 6:00 pm at the Antioch Fairgrounds, 1201 West 10th Street, Antioch, CA. The purpose of the Special Meeting is two-fold: 1) to provide a second public workshop with representatives from Larsen Wurzel and Associates, the District's consultant, regarding the proposed new assessment and the methodology used to determine the assessment; and 2) to present the Administrative Draft Engineer's Report (the "Report") required by Article XIID of the State Constitution, commonly referred to as Proposition 218, and the Proposition 218 Omnibus Implementation Act (Government Code §53750 et seq.) Following submittal of this report to the District Board of Trustees (Board) for approval at this meeting, the Board may authorize the commencement of proceedings under Prop. 218, and call for an election to approve the assessment.

If approved, the District will mail a notice and ballot to all affected landowners. After forty-five (45) days of the mailing, the District will hold a public hearing and election regarding the proposed assessment, in accordance with the requirements under Prop. 218.

We urge all landowners to attend this meeting to discuss the District's current finances and the proposed assessments. If you have any questions regarding the Special Meeting, please contact Angelia Tant, District Administrator at 925-684-3222.

Sincerely,
