Landowner Notice Re: Ferry Hangers

Bradford Reclamation District

**And they say, "Nobody gets a free ride"
Bradford Rec. District 2059
Landowners NOW Do...**

Our most recent Proposition 218 that passed allows for all landowners on Bradford to ride the ferry for FREE...

Ferry hangers have arrived. They are available by personal pickup or via mail. Please call me at 925-209-5480 Angelia or email me at angelia_bradford@sbcglobal.net and advise me on how you would like to arrange to get your hanger.

The district historically has never issued hangers and this will be the district's first attempt at doing this. The board will be putting together the rules and regulations for the ferry hangers.

Once the board has finalized the rules and regulations, I will be emailing them out, mailing them and posting them on the District website.

The rule is that you get a hanger for every person listed on your Grant Deed. You may transfer the hanger to another vehicle. However, you must be in that vehicle.
