

Bradford Reclamation

District 2059

Ferry Hangers for Married Spouses

11-17-2020

A second motion is made to allow for spouses to also receive a ferry placard. The State of California recognizes married couples as having joint property. The board motions for the District Manager/Secretary to request a copy of a marriage license upon the request of adding a spouse. The District Manager/Secretary will continue to update the list of landowners on the deeds and identify any added spouses to this list, for the Delta Ferry Authority. M/S/P Elliff/Hall/Finta/Davies and one opposed by Trustee Cunningham. The vote carries by majority vote to adopt and include the new changes outlined above for the ferry pass rules.

If your spouse is not on your Deed and Does not have a placard, please contact me to arrange providing me with their name so I can assign them a ferry hanger once the Marriage license is also provided.
