

Bradford Reclamation District 2059

PO Box 1059 Oakley, CA 94561 Phone/Cell: 925-209-5480

Welcome to Bradford Island!

Bradford Island Reclamation District 2059 (District) is made up of five trustees, an office manager, levee superintendent, district engineer and attorney. The District maintains approximately 7.4 miles of levee on 2,500 acres. The District is also responsible for the main drainage canal that runs through the center of the island to the pump station that discharges to Fisherman's Cut.

We invite you to visit our website to view some of the following items:

- District Permit Applications
- District Regulations
- Agendas – Meeting Notices
- Meeting Minutes
- Prop. 218 Final Report with District Budget included
- Contact Information for the District
- Current Projects
- Newsletters
- Operating Hours
- Current Board Members
- Ferry Information

At your leisure, please take some time to view the District's website. It is important to understand how the District operates.

If you have any questions or concerns, please feel free to contact me at 925-209-5480 or by email at angelia_bradford@sbcglobal.net.

Sincerely,

Angelia H. Tant
