

BRADFORD

RECLAMATION DISTRICT NO. 2059

August 2026 Updates

WORKING TODAY FOR A

★ STRONGER TOMORROW ON BRADFORD ISLAND ★

IMPORTANT: LEVEE EMERGENCIES

FOR THE NEXT TWO WEEKS

Please report any **levee-related emergency** directly to the District Engineer:

**BLAKE JOHNSON, PE
(916) 204-6869**

This includes urgent concerns involving the levee, erosion, seepage, sloughing, damage, or any other condition that may require immediate District attention.

For an emergency, please call Blake directly rather than sending an email so the matter can be addressed as quickly as possible.

DISTRICT WEBSITE UPDATE

Bradford Reclamation District No. 2059 is currently working on updating and improving the District's website.

We have been working on a number of District projects and are continuing to update information and resources so landowners and members of the public have access to current District information.

Please visit:
www.bradfordisland.com

We appreciate everyone's patience while these updates are being completed.

MEETING WITH NEW DISTRICT ATTORNEY

The District Engineer and District staff met with the District's new attorney this week as part of the District's ongoing legal and operational coordination. We look forward to working together on matters affecting Bradford Island and the District.

It will be our pleasure to formally introduce our new District Attorney at the **next in-person Board Meeting**.

We look forward to welcoming him and giving our landowners and community members an opportunity to meet him.
